Re: 03-126, AT&T's Petition for Declaratory Ruling

Dear Ms. Dortch:

On January 13, 2004, representatives of Callipso Communications, Inc. met with FCC officials concerning AT&T's petition for declaratory ruling regarding VoIP. The Callipso representatives were Deb Lenart, Chief Executive Officer of Callipso, Mark Chudzinski, General Counsel of Callipso, and I, an advisor to Callipso. The FCC officials were Christopher Libertelli and Trey Hanbury in one meeting, and Dan Gonzalez in a subsequent meeting.

During each meeting, we discussed the comments that Callipso filed on January 12 in this docket and advanced the arguments enumerated in that document.

Very truly yours,
